

PARKLET PROGRAM: EXPANDING OUTDOOR DINING SPACE

What is a parklet?

Parklets transform public on-street parking spaces into areas for outdoor seating, maximizing dining space for restaurants and bars.

Parklets also provide safe dining spaces while occupancy limits are reduced due to COVID-19.

What are the benefits?

According to data from restaurants with parklets in other cities:

- 83% had more foot traffic
- 67% increased revenue
- 100% recommended to other businesses

Applying is easy!

Application fees waived until March 31st

Visit nola.gov/parklets for application and guidebook

Average time from application to parklet opening is 3 weeks
